

How to show proof of Concepts and Advanced Badges

1. After you have completed each badge through the IBM portal, follow the “How to download Concepts and Advanced Badges”) pdf file and follow the steps. You should have 2 pdf badge certificates (Concepts & Advanced) if you followed it correctly. Upload these to their respective assignment pages on Owl.

How to show proof of Fundamentals Badge

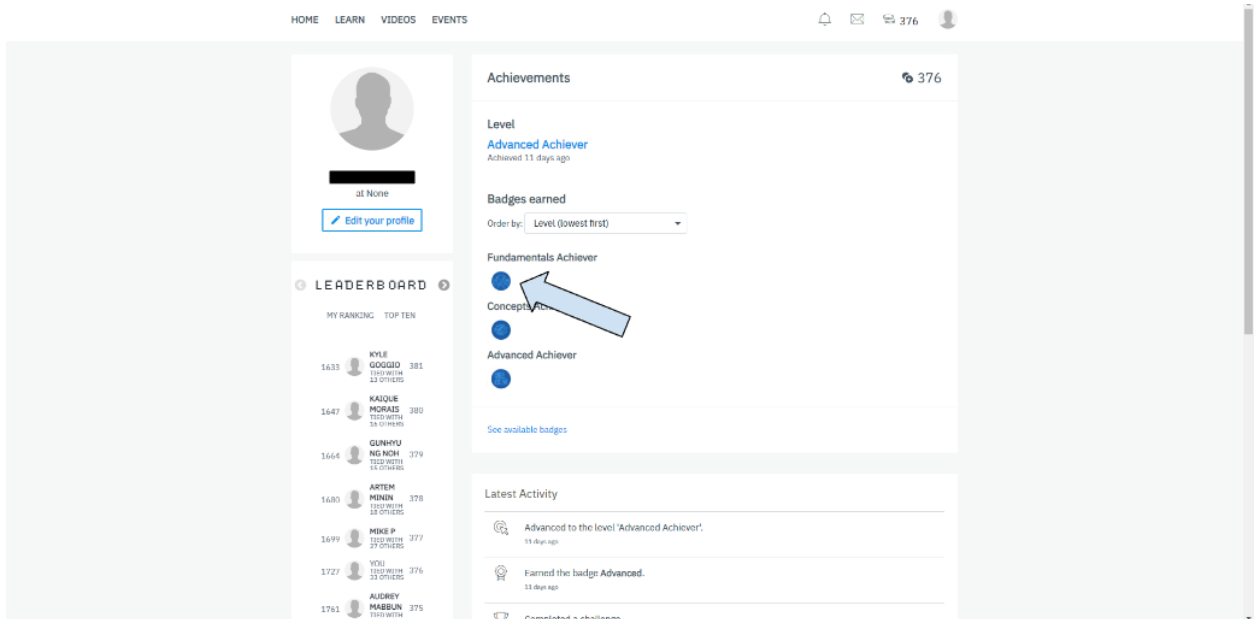

1. To show that you also have the fundamentals badge (there is no Credly certificate like for the other badges) we need to go through the the IBM portal. On the main page click the profile icon.

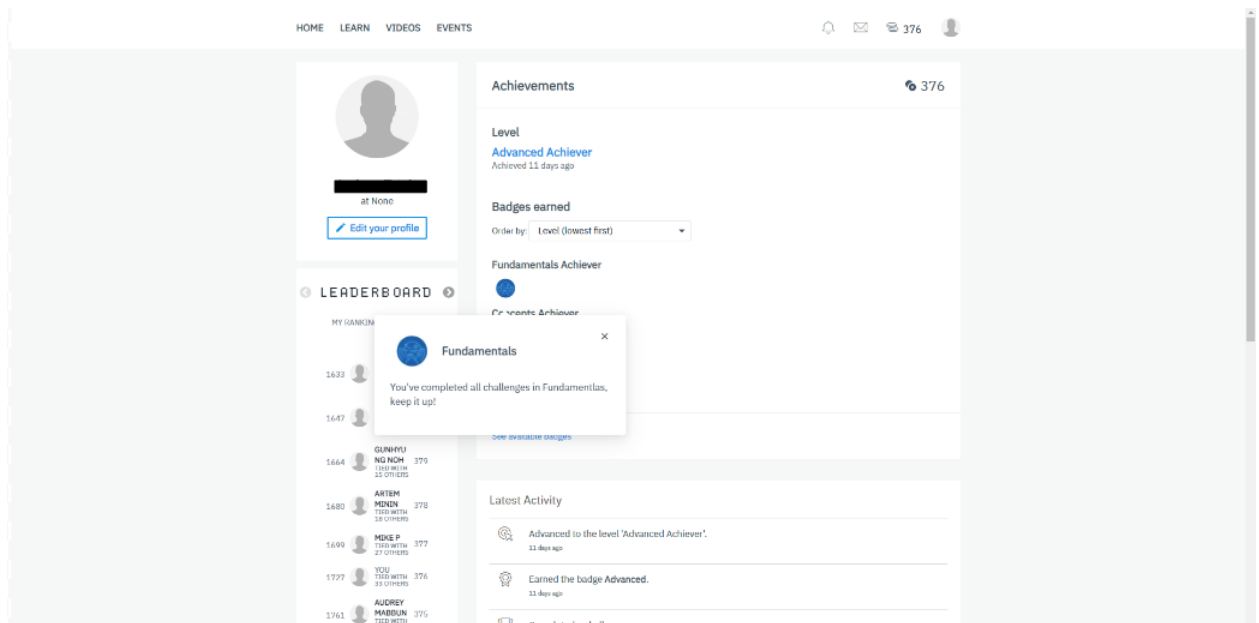

2. A drop-down menu with show up, click your name (where the black box is in the screenshot).

3. Once you're on this page, click on the fundamentals badge icon.

4. A pop-up will show up saying that you've completed all challenges in fundamentals. Take a screenshot of this screen and save it to your desktop.

5. Convert the image to a pdf file and upload it to the fundamentals assignment page on Owl.
